

WILLIAMSON COUNTY A&M CLUB

Howdy Ags, our club has started off the year at a rapid fire pace making plans for a fantastic 2016. We began, as always with our annual membership meeting where we selected officers and board members to represent us for another year. It was very encouraging to see many new faces and Aggies of all ages anxious to get involved with the club. We have several committees working on activities to keep everyone involved and connected. These committees are open to everyone so if you see an area where you would like to contribute, please continue to check our calendar and join any of our meetings. Our club activities as well as those of the Austin SEC Club offer many opportunities for you to get involved with fellow Aggies.

We would like you to share your thoughts and ways we can continue to strengthen our organization; the WilCo A&M Club only exists for the benefit of ALL of our club members. We look forward to a great year and seeing everyone at our upcoming events. While membership is not required to join our events, we would invite you to become or renewal you annual Club membership dues. This helps the Club fund the many events that the Club hosts thought the year and helps support local scholarships.

Enclosed are several flyers that highlight some of the main events that we will be hosting this year.
