Dear Members of the Williamson County A&M Foundation,

I would like to personally thank you for choosing me as a recipient of the Embree Group Scholarship. I am truly honored by this award, and it will help me immensely to cover the expenses of beginning college life at Texas A&M in College Station. I have no doubt that it was a very difficult task to choose scholarship recipients (as every Aggie student is topnotch because that's why they attend A&M!) and I want you all to know how very happy and incredibly grateful I am that you selected me! I know it has been no small feat to plan for and provide these scholarships – so please know that your efforts do not go unnoticed or unappreciated. It heartens me to know that there are organizations, such as the Williamson County A&M Foundation, that are willing to support students like me. The core values of Texas A&M – excellence, integrity, leadership, respect, loyalty, and selfless service – are what members of the A&M Foundation live out in supporting us Aggie students and our endeavors. At this critical time in my life's journey I am also grateful knowing the members of the A&M Foundation care so much about the futures of us Aggie students as we become a part of this amazing Aggie family. Thank you so much and I wish your organization all the best!

God bless you, Thank you, and Gig'Em!
