

WILLIAMSON COUNTY A&M CLUB

Howdy Ags! Our club has started off the year at a rapid-fire pace making plans for a fantastic 2020. We began with our annual membership meeting where we selected officers and three new "Young Aggie" board members to represent us. It was very encouraging to see many new faces and Aggies of all ages ready to get involved with the club. We have several committees working on activities to keep everyone involved and connected. These committees are open to everyone. If you see an area where you would like to contribute, please contact us! Continue to check our calendar and join any of our events or meetings. Our club activities as well as those of the Austin SEC Club offer many opportunities for you to get involved with fellow Aggies.

We would like you to share your ideas of ways we can continue to strengthen our organization. The WilCo A&M Club only exists for the benefit of ALL our club members. We look forward to a great year and seeing everyone at our upcoming events. In 2019 we launched a new 12-12-12 Giving Campaign. Please consider committing to a small, \$12 recurring donation, as this helps to fund the endowed scholarships for local kids going to Texas A&M University, see more details at wcamc.com/give.

Starting in 2019, the WilCo A&M Club Board voted to discontinue collecting membership dues. So, if you are an Aggie (ring or not) living in the Williamson County area, **you ARE a member of our A&M Club!** As such you are welcome and encouraged to attend any of our weekly and annual events. We hope to see you soon and often. See the following flyers enclosed:
